

About the Navy Pacific Missile Range Facility (PMRF)

PMRF is the world's largest instrumented multi-domain training and testing facility. What makes PMRF unique is its ability to simultaneously support surface, subsurface, air, and space operations.

Personnel at PMRF engage and actively participate with the community.

On Kaua'i, the Navy is the largest high-tech employer and third largest overall employer. Most of the 900 personnel at PMRF are civilians, including many from the local community. PMRF contributes approximately \$150 million annually in salary, contract goods, and services to the local economy.
